Paris Venetians

INTRODUCING BLINDWARE'S NEW PARIS VENETIAN COLOURS

63mm coming early 2023!

*Paris* is an timber Venetian product that uses natural basswood timber slats. The 3mtr slat width means even the widest windows can be covered using this natural, light weight Venetian alternative. The 100% natural Basswood slats are available in 50mm with 63mm width coming early 2023, making Paris a perfect option for people who want a cohesive, consistent look throughout their entire house.

- **3000mm Long Profiles** - Make wider blinds and cover larger windows
- **All Natural Light Weight Basswood Slats** - Easier to lift and operate, even for larger blind sizes
- **80mm Flat Valance** - Contemporary / modern appearance
- **Trapezoidal Base Rail** - Better closure of Venetian blind, less light bleed into the room
